Missionaries to New Brunswick, French Speaking Canada

July 2023

Dear Pastor and Church Family,

PERSPECTIVE – This word came to my mind as we are doing a study of Hebrews chapter 11 – the chapter of faith. It is a blessing to teach and preach about the great men and women of God mentioned in this passage. In verse 26 the Bible says “...for he had respect unto the recompense of the reward.” It is a privilege to serve the Lord in any capacity He chooses. The ministry truly is great. We do not want to take for granted our privilege and also your part in helping get the Gospel around the world. Thank you!

PRAISES – Here are a few of the many things for which we are thankful. We praise the Lord for sending us more visitors. Last week we had two first-time visitors, and both of them are from our little town. The week before a couple came to visit for the first time and we pray that they will come again. We also praise the Lord for answering prayer for our son Jim Post and his family. Lord willing, by the time you receive this prayer letter they will be in Israel. God certainly has worked on their behalf. **THANK YOU** to those of you who have given to our building fund. The Lord has provided an additional \$9,000, which gives us \$19,000 toward the cost of the building. Praise the Lord! We also had the privilege of attending the Far North field conference of BIMi. We had four days of great preaching, teaching and fellowship with other missionaries. We are blessed by the other missionaries who serve all across the Far North.

PERSONAL TESTIMONIES – “God is blessing our efforts.” These are the words of Jocelyne, a faithful lady who has been coming since the beginning of our services. After lots of prayer her neighbor Gaetane has finally visited our church and has only missed one service in two weeks! Gaetane has started reading her Bible and is following our Wednesday night Bible studies. Nina and her daughter Jade have come several times now. They are from Peru and her husband works at the mill in town. Her husband and whole family have come a couple of times. Jennifer has been able to have Sunday School with their little boy and a three-year-old girl. This has been a blessing to my wife! Last Sunday we heard a wonderful salvation testimony from Maurice Deschenes who grew up in this area. Maurice was saved years ago and God has given him a wonderful Christian family. I was so thankful that those present could hear his testimony of what God can do in our lives.

PRAYER NEEDS – Please pray that Gaetane will see her need for salvation. Please pray for Nina’s husband Ivano to receive the Lord. We are continuing to pray for Stephane, Miguel and Rino to accept Christ as Savior. We ask that you join us in prayer for the remainder of funds to purchase our building. We believe that the Lord will provide according to His will. If you would like to help us with this need you can send any love offerings the same way as our monthly support but marked “Dan Post building fund.” Thank you for considering helping us with this much needed aspect of the ministry!

Thank you for your prayers and faithful support. We thank the Lord for each of you who sacrifice your time and funds for His work. May God richly bless you in return.

In Him,

Dan Post
